

GRAND SHAR DB - USER MANUAL

Instructions

1. winding // normal position
2. quick adjustment of the date
3. setting of hands // stopping of seconds
4. starting and stopping of chronograph hand
5. return of chronograph hand
6. small seconds subdial
7. 30 minute chronograph counter
8. 12 hour chronograph counter
9. date indicator

Warning

A quick adjustment of the date may not be made between 21:00 and 00:30.
Adjustments made during these times will damage the movement of the watch!

International guarantee

The guarantee is valid for four years from the date of purchase and covers all manufacturing defects. The guarantee card must be duly completed, stamped, and signed by an authorized Dubey & Schaldenbrand dealer to be valid.

Limitations

The guarantee does not cover:

1. Normal wear and tear
2. Damage arising from servicing not done by an authorized Dubey & Schaldenbrand dealer and/or agent
3. Abuse (such as dropping or hitting the watch)

Practical notes

1. It is suggested that your watch be serviced by an authorized Dubey & Schaldenbrand service center approximately every 3 years.
2. To keep the movement protected from moisture, please be sure that the winding crown is always pushed against the case.
3. Please follow the instructions covering the correct handling of your specific watch.

Registration
